## Content

### 2 / Assignment nr. 1

2 / Create 2 or more of these things with the 3D functions

### 3 / Assignment nr. 2

3 / Live trace a logo you find on the net.

3 / Create a logo for a fictional firm, of your own choosing.

3 / Create some artwork to follow along with the logo

### 4 / 3D Help

4 / Object and base figure

# Assignment nr. 1

Create 2 or more of these things with the 3D functions:

- ☺ Coffee mug
- ☺ Vase
- ☺ Umbrella
- ☺ Cola bottle
- ☺ Cereal box

# Assignment nr. 2

Live trace a logo you find on the net.

Ex: Mearsk, Lego, Microsoft, Novasol and so on...

Create a logo for a fictional firm, of your own choosing.

Create some artwork to follow along with the logo

(i.e. light/color streaks and so on)

We will recap all creations by the groups, at the end of the day.

# 3D Help

## Object and base figure
